Venue:

**Manohar Memorial College of Education,
Fatehabad, Haryana, India**

("B+" Grade Accredited by NAAC in 2024)

19th & 20th March-2025

About College

Manohar Memorial College of Education, Fatehabad came into existence on 16th August, 2004. The college has been on its glorious march since its inception. It is now a brand name synonymous with quality education and service to the community. It is universally recognized for its impeccable credentials of being a top-ranking and first-rate institution all over the state. This college aims at pursuing the dream of "Excellence in Education". It is committed to transforming the teacher students into creative planners, critical thinkers, effective practitioners, and socially responsible citizens. The devoted and qualified faculty of this institution is fully conscious of their noble calling and shares the management's mission and vision. The dedicated and disciplined ministerial and supporting staff members are equally our precious partners in the growth of this institution. At present the college is conducting three academic courses: B.Ed., D.El.Ed., and B.A.B.Ed.

About the Conference

“The International Conference on Education, Humanities, and Digital Innovation: A Multidisciplinary Approach” is a platform for educators, researchers, and professionals to discuss the convergence of education, humanities, and digital technology. It aims to foster collaboration by facilitating the sharing of innovative research, exploring emerging trends, and promoting cross-disciplinary dialogue across key themes like pedagogy, curriculum design, AI in education, language studies, cybersecurity, and mental health in academic settings. With keynote speeches, panel discussions, and interactive workshops led by experts, the conference provides a valuable space for academics, policymakers, and industry professionals to exchange ideas, network, and contribute to shaping the future of education and digital innovation.
